

Thank-you for applying to vend at the 2009 Hessler Street Fair.

This year we are especially proud to be celebrating our 40th anniversary and are looking forward to an even more successful weekend than ever before. Everyone here at the HSF committee is working hard to ensure that a good time is had by all. In an effort to continue our support of local vendors, the following guidelines are being implemented.

1. Decisions on food vendors are based on quality and a desire to have as broad a variety of foods as possible. We also favor local businesses and do not accept applications from chain restaurants. Due to new rules being imposed on us by the City of Cleveland, **ALL** food vendors will be required to submit vendor licensing and hazardous substances forms and **RETURN THEM TO US**. We will then deliver them to the appropriate city departments. The city was very clear on this point. Failure to comply with their wishes will cause you to be unable to vend at the fair. We will mail you the necessary forms after processing your application. **NO BEVERAGES** may be sold, as sales of lemonade are the primary source of funds for the street fair. Also, no brats or sausages may be sold, as one of the residents of the street has an exclusive on those items. Please provide a complete list of the foods you plan to sell, so that we can avoid duplication as much as possible.
2. Please indicate on your application if you would like to be at or near your previous booth location. Every effort will be made to accommodate your request but please note; spots will not be held past the deadline for application submissions and the residents of Hessler Street are always given first dibs on their frontage.
3. Be sure to fill out all areas of this application. Because spaces accommodating tents or canopies are limited, you must indicate to us if you bringing one. Also, please indicate any special needs such as electricity and tables or chairs. Also be sure to include any extra charges along with your \$150 vendor fee. **Non-professional vendors also are required to pay a commission (10% of gross sales, payable at the end of each day of the fair).**

Thank-you for your co-operation and we look forward to seeing you in May!
